ADDENDUM NO. 1

The items contained in this addendum are added to and/or deleted from and become part of the specifications and proposal documents for the above-referenced Invitation to Bid. Bidders **must acknowledge receipt** of the Addendum on the Bid Form, located in the invitation to bid, when the bids are submitted.

QUESTIONS AND ANSWERS

1. We are trying to identify the building Light Duty Repair Shop on Google. Do you have a specific address to that building, or a picture? There are several buildings located on 1900 N. Monroe. ***Answer: There are no images or drawings available. If you wish to inspect the project, contact rgladney@albanyga.gov and schedule an appointment.***
2. Will you consider PVC single-Ply membrane as an alternate equal or is TPO the only option? PVC is more durable, has a longer life span and is more resistant to fire, heat, and chemicals than TPO. Both are typically heat welded at seams. TPO is generally cheaper than PVC. ***Answer: No, that substitution is not allowed.***
3. Does the city of Albany have a list of DBE "certified" subcontractors? We recently completed a project for the city of Augusta, and they provided a list of those companies that meet the requirements of a DBE. ***Answer: The City does not provide lists of DBE subcontractors. There is no goal or requirement other than listing DBE subcontractors on the form attached in the invitation to bid.***
4. Is there a minimum DBE Participation goal percentage for this project? ***Answer: There is no goal or requirement other than listing any DBE subcontractors for the project on the form attached in the invitation to bid.***
5. There are louvers on the roof without curbs, and one is about to fall into the building. Leaking bad around each one. Can we remove the louvers from the roof and roof over the holes and then install a louver in one of the windows? I don't think they work in the first place, but I think they will require one or two in the building for ventilation. ***Answer: Yes, current louvers in the roof can be removed and roofed over. New louvers can be installed in the side walls in place of an existing window to provide adequate ventilation to meet code requirements.***

6. Is the City requiring the vendor to possess a general contractor's license? *Answer: Yes. Due to structural issues, a general contractor's license is required.*

Where applicable, this ordinance will govern. Local preference will not be a basis for award on bids that are federally funded.**
32. No bidder writing restrictive specifications for The City will be allowed to bid on the project.
33. Reasonable grounds for supposing that any bidder is interested in more than one bid for the same item will be considered sufficient cause for rejection of all bids in which he/she is interested.
